

# SAFETY DATA SHEET TropiClean

|  | Section 1: Identification                            |  |
|--|--|--|
| Product Name   | : TropiClean OxyMed Hypo-Allergenic Oatmeal Shampoo  |  |
| Manufacturer   | : TropiClean<br>P.O. Box 414<br>Wentzville, MO 63385 |  |
| Manufacturer Information Telephone #<br>Manufacturer Emergency Telephone # | : 636-327-5533<br>: 636-327-5533                     |  |
| Recommended Product Use  | : Only for cosmetic use as a dog and cat shampoo     |  |
| Section 2: Hazard(s) Identification  |  |  |

**Physical and Health Hazard Ingredients**: The product contains no substances which at their given concentration, are considered to be hazardous to health. No expected hazards if handled and used properly.

#### **Potential Health Effects**

Eyes: Possible minimal irritation to the eyes. Skin: Substance may cause slight skin irritation Inhalation: May cause irritation of respiratory tract Ingestion May be harmful if swallowed Potential Environmental Effects See Section 12 for additional Ecological information

#### Section 3: Composition / Information on Ingredients

| Chemical Description | : Shampoo Mixture |
|----------------------|-------------------|
| Ingredients          | : Trade Secret    |
| D.O.T. Hazard Class  | : N/A             |
| D.O.T. Labels        | : N/A             |

### Section 4: First Aid Measures

| General Advices<br>Eye Contact | : In case of adverse health effects seek medical advice.<br>: Remove contact lenses. Flush with water for 15 minutes. Seek medical attention if                        |
|--------------------------------|--|
|                                | necessary or if irritation persists.   |
| Skin Contact                   | : Wash contact area with flowing water.  |
| Ingestion                      | : Give two glasses of water to dilute. See physician immediately. Induce vomiting only<br>on the advice of a physician. Never give anything by mouth to an unconscious |
| Inhalation                     | person.<br>: Seek fresh air. If breathing is difficult, see a physician.   |
|                                | . Occurres and a breating is dimone, see a physician.  |

# Section 5: Fire-Fighting Measures

## Flammable Limits Special Fire Fighting Procedures

: Product is considered non-combustible.

: None known.

| Other<br>Hazardous Decomposition<br>Incompatibility<br>Hazardous Polymerization<br>Conditions to avoid | <ul> <li>None known.</li> <li>Strong oxidizing agents. Strong acids.</li> <li>Will not occur.</li> <li>None known when used as directed.</li> </ul> |

# Section 11: Toxicological Information

No toxicological information is available at this time.

# Section 12: Ecological Information

No ecological information is available at this time.

# Section 13: Disposal Considerations

**Waste Disposal Methods**: Material should be disposed of in accordance to current federal, state and local regulations. Contacting a waste disposal service is recommended.

# Section 14: Transport Information

Not classified as hazardous according to the Department of Transportation.

### Section 15: Regulatory Information

No regulatory information is available at this time.

# Section 16: Other Information

Revision Date: 01/2015 Supersedes: All Previous
